Dear Law Enforcement Official:

I am writing to invite you to attend the 9th annual Law Enforcement Summit, which my office is coordinating with Arkansas's Internet Crimes against Children Task Force. The Summit will take place in Little Rock on Tuesday, October 11, 2011, and will feature training sessions on timely topics with an emphasis on Internet crimes and crimes against children.

We are in the process of confirming the participation of several nationally recognized trainers who will present new and interesting information to our group. I hope that you will take advantage of the opportunity to attend this very worthwhile training session. A registration form is enclosed for your convenience, and a full conference agenda will be made available soon on our website at www.ArkansasAG.gov.

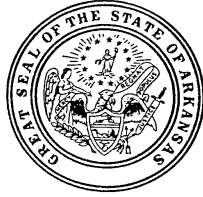

As part of the conference, I also have the pleasure of recognizing and honoring some of the law enforcement officers in our state who have performed admirably in the line of duty. I hope you will join us in paying respect to these brave men and women.

Please contact my staff in the Community Relations Division at (800) 448-3014 or (501) 682-1020 if you have questions or concerns. I look forward to seeing you in October.

Sincerely,

A handwritten signature in black ink that reads "Dustin McDaniel".
